Covid Safety Protocols

We employ immune-compromised staff and many of our patrons are also at-risk individuals. Therefore, we are unable to accommodate any shopper or student who cannot or will not wear a mask while in the store. We provide Zoom classes and Zoom or phone shopping with curbside pickup for those who cannot safely shop or attend class in person.

We limit the number of shoppers and students in the store and periodically sanitize surfaces. We also take the temperature and require hand sanitizing of persons entering the shop.

Classes are separated from shoppers and every seat is at least 6 feet apart in every direction. Several classes are held when the store is closed to shoppers, allowing for even greater social distancing.

City Knits' yarn must be used for all group and specialty classes *(not applicable to private lessons)*

Classes require at least 3 students. Students pick their own projects with guidance from instructor

- Weekly Group Adult Classes (mixed skill levels unless otherwise noted) - 2 hours - \$60 / 6 weeks
- Private lessons by appointment - \$30 / hour - One hour minimum - Any yarn may be used
