

Covid Safety Protocols

At City Knits we employ immune-compromised staff and many of our patrons are also at-risk individuals. Therefore, we are unable to accommodate any shopper or student who cannot or will not wear a mask properly while in the store. We provide Zoom classes and Zoom or phone shopping with curbside pickup for those who cannot safely shop or attend class in person.

We are currently offering classes, but the number of seats available is limited. Some classes are held when the store is closed to shoppers. The new classroom area is now separated from the merchandise and shopping area. Each seat has 6 feet of space in all directions from other student seats.

Class COVID Mitigation Practices

1. Use hand sanitizer upon arriving for class.
2. Staff, students and shoppers must wear properly fitting masks at all times.
3. Remain in your seat as much as possible and respect the 6 foot boundary of staff, students and shoppers.
4. Allow the teacher to assist you from a distance whenever possible.
5. No food/eating during class time.
6. When your class is finished, thoroughly clean your table space and chair with the disinfectant cleaner provided.

If you are experiencing any feeling of being unwell, please do not come to the store or class.
